## **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

The prior art of records: Yang, US (6,504,862); Rha, US (6,188,732); Antonio et al, US (6,603,745); Shen et al, US (6,118,767) fail singularly or in combination to teach or disclose the followings:

A user equipment for transmitting signals using a CDMA technique, comprising means for combining a plurality of spread spectrum data signals, means for measuring a characteristic of a first output of the combining means for a given time period, and means for adaptively limiting an the first output of the combining means responsive at least partially to a second output of the measuring means, wherein the measuring means has processing means for determining a standard deviation of the output and the adaptive limiting means limits the output to a given power level based in part on the determined standard deviation and wherein the processing means disables the adaptive limiting means during transmission of short codes.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Application/Control Number: 10/090,497

Art Unit: 2662
